1. INTRODUCTION

A school uniform policy reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community and assists in developing a pride in representing their school. Issues of equality, health and school safety and expenses are also factors that contribute to the establishment of the School Uniform Policy at Kedron State High School (Kedron SHS).

2. PURPOSE

The purpose of this policy is to ensure that equality exists amongst all students at Kedron SHS, developing a sense of pride in and identification with our school. In accordance with the Departmental Dress Code Policy V6.1, this policy clearly explains and documents standards of acceptable dress in relation to clothing worn by students, including headwear, footwear, and other aspects of personal presentation. Furthermore, the policy incorporates strategies to accommodate the individual needs and circumstances of students and strategies for managing non-complying students.

3. IMPLEMENTATION

At Kedron SHS we believe that the implementation of the School Uniform Policy adheres to the core values of the school – Traditional, Disciplined, Diverse and Academic. Our school uniform policy reflects the high standards we embrace at Kedron SHS.

Through consultation with the school community the School Uniform Policy provides choice for the students, allows the students to engage safely in the many varied school activities and caters for the financial constraints of families. Upon enrolment at Kedron SHS parents and students voluntarily sign the Confirmation of agreement to the Student Code of Conduct and Uniform Policy. This signifies the students' and parents' acceptance of the Uniform Policy and their agreeance to support it.

The school colours are black, gold and grey.

Students are expected to make a personal commitment to present themselves well. This will reflect not only personal pride, but also a positive identity of Kedron SHS in the community.

Summer and winter uniforms as well as sports uniforms are prescribed and are required to be worn. The School Uniform Policy applies during school hours, while travelling to and from school and on school excursions.

Students are expected to wear the full formal uniform on all days except the designated sports day:

- Year 7 - Friday
- Year 8 and 9 - Tuesday
- Year 10 – 12 - Wednesday

On these days students may wear the full sports uniform with leather shoes.

Students who have Health and Physical Education are required to wear the formal uniform and change into the sports uniform for their designated lesson only.
