Infuse music is a program that develops a high level musicianship through composing, performing and musical immersion with guest Artists in Residence.

**Infuse Music Program**

Infuse Music is a program that is focused on developing high level of musicianship and works toward accreditation through ABRSM (Similar to AMEB) as well as school results.

Students may nominate to be involved in Infuse Music Engagement Program in Years 3 & 4, progressing to the Infuse Music Transition Program in Years 5 & 6.

Using results and auditions during Year 6 students may be invited into the program for High School.

In Years 7 & 8 successfully enrolled Infuse students would be expected to participate in Extra-Curricular Music Bands & Performances and would not rotate through the Arts electives but do Infuse music for two years as a timetabled subject.
Infuse S.T.E.M is a program that engages students in activities centred around Science, Technology, Engineering and Mathematics.

Students may nominate to be involved in the Infuse S.T.E.M Engagement Program in Years 3 & 4, progressing to the Infuse S.T.E.M Transition Program for Years 5 & 6.

Through a testing process and from current results and engagement during primary years, Year 6 students may be invited into the Infuse S.T.E.M program in High School.

In Years 7 & 8 selected students will be in a class working on an advanced program during Maths & Science – students would also not rotate through all electives, but focus on Technology & Engineering for both years (robotics & design concepts).
Infuse Languages is an immersion program for students interested in learning Chinese and Spanish with activities focused around language development and cultural association.

Infuse Languages Program

Infuse Languages is a program focused primarily on the engagement of primary school students in the language development of Chinese and Spanish. Infuse Languages engages students in games, songs and cultural tradition activities.

Students may nominate for selection into the Infuse Languages Engagement Program in Years 3 & 4, progressing to the Infuse Languages Transition Program in Years 5 & 6.

Students may nominate an interest in either Chinese or Spanish for High School. Students who remain engaged in the programs during primary school years would be targeted for enrolment based on ability and progress. Students would then progress into Year 7 & 8 school programs.
What Is Infuse?

The Kedron SHS Infuse program is offered across three areas of excellence including S.T.E.M, Music and Languages. Students may nominate to be involved in these after school programs by filling out the attached nomination form.

Infuse S.T.E.M

Infuse S.T.E.M engages students in activities centred around robotics, science experiments, mathematics problem solving and innovative technological practice. Students will have an opportunity to work further within our Lego Robotics program.

Infuse Languages

Infuse languages engages students in Chinese and Spanish games and songs as well as developing an association with cultural traditions and customs with a team of native speakers. Students will also engage in the Confusion Classroom project in partnership with QUT.

Infuse Music

Infuse Music engages students with a passion for music in activities associated with musical performance, composition and improvisation. Students will also work on collaborative projects with visiting artists in residence.

Entry into the Programs

It is advisable that Year 5 and 6 students interested in applying for Infuse Music are receiving instrumental music or private music tuition. For more information, please visit our website.
ABOUT KEDRON

KEDRON STATE HIGH SCHOOL IS LOCATED IN WOOLLOOWIN IN BRISBANE'S INNER-NORTH. IT IS A SCHOOL WITH A DIVERSE COHORT OF CULTURES FROM OVER 70 NATIONALITIES AND IS HEAVILY ENGAGED IN ITS LOCAL COMMUNITY THROUGH PARTICIPATION IN MANY SPORTING, CULTURAL AND ACADEMIC OPPORTUNITIES.

The Infuse Program

INFUSE AT KEDRON - YEARS 3 & 4
Years 3 and 4 students may apply for the Infuse Program of Excellence across the three key areas of Music, S.T.E.M and Languages (Chinese and Spanish). The Infuse Program for Years 3 and 4 focuses on small group project based learning at an introductory level with specialist staff from Kedron State High School as well as visiting tertiary and industry ambassadors. At the conclusion of the 11 Week program in Semester 1, Infuse will culminate in a showcase at Kedron SHS for parents, teachers and members of the community.

INFUSE AT KEDRON - YEARS 5 & 6
The Infuse Program for Years 5 and 6 is catered toward students who demonstrate excellence in Music, S.T.E.M or Languages (Chinese and Spanish). Students take part in small group project based learning at an introductory level with specialist staff from Kedron State High School as well as visiting tertiary and industry ambassadors. At the conclusion of the 11 Week program in Semester 2, Infuse will culminate in a showcase at Kedron SHS for parents, teachers and members of the community.
