

Welcome to Kedron EXPO 17

Our annual EXPO is the perfect opportunity to share our great school with the broader community. Kedron prides itself on being a learning environment that embraces innovation whilst cherishing tradition.

We strive to shine every day, with a clear focus on forging self-disciplined and respectful learners who are committed to being their best. As well as an unrelenting focus on appropriately targeted academic rigour and challenge for all of our students, we offer a huge range of cultural, sporting and civic opportunities for our proudly diverse learning community.

As you walk around our fabulous campus today, taking in the wonderful sights, sounds and opportunities, remember, Kedron is a school that first and foremost cares about the individual and their journey to success. Our partnership with parents is focussed on their future.

Yours in the Kedron Way

Joseba Larrazabal
Principal

Kedron Expo17
