Mission Statement
We will ensure that our students from a diverse range of backgrounds are on a pathway to achieve their academic and personal potential in a disciplined learning environment that embraces traditional values and innovative practices.

Philosophy
Our philosophy is enacted through our key beliefs.

T – Treasure education as both a right and a privilege
H – Honour the past whilst embracing the future
E – Expect mutual respect and kindness
K – Knowledge and skills are the keys to creating successful lifelong learners
E – Excellence is the goal for all of our students and staff
D – Disciplined learners on individual pathways will succeed
R – Respect the school’s uniform, values and diversity
O – Opportunity for improvement every day is essential
N – Nurture the future active citizens of our global community
W – Work with each other, for each other; with passion
A – Actively embrace challenges and show resilience to overcome them
Y – Youth and experience collaboratively driving innovation

Collectively these actions embody “The Kedron Way”
It is what makes our school unique, caring and successful.
