

STUDENT RESOURCE SCHEME

Subject Resource and Stationery List 2025

YEAR 10

The school operates a voluntary student resource scheme (SRS) under the Education Queensland guidelines. The Scheme aims to provide all students with the necessary basic textbooks and associated learning materials at considerable savings to parents. Parents have a choice of either joining the scheme OR privately purchasing all the various textbooks, novels and other materials as well as paying for all other items included in the Scheme (see terms of and conditions). Please note: photocopying costs do not include colour copies. If you wish to calculate the cost, should you decide not to join the Scheme, please use the cost to purchase from the following table (Cost if Not in Scheme column).

Personal stationery items (Stationery Required column) are not provided as part of the Scheme and need to be purchased by students.
